1. Target Audience for Social Connect

Who: University students and young professionals aged 20-28

Location: Karachi, Lahore, Islamabad, Pakistan

Interests: Networking, internships, career growth, tech, startups, design

Problems they face:

- Networking on LinkedIn feels too formal and intimidating
- Instagram isn't built for professional connections
- Hard to find people in the same field locally

How Social Connect helps:

An app where users can connect with people in their field, join local meetups, and share projects without the pressure of a full resume.

2. SMART Goals

Goal 1: Brand Awareness

Increase brand awareness of Social Connect among students and young professionals in Pakistan by *25%* in *3 weeks* through social media content.

Goal 2: Engagement

Achieve *150 total engagements* across 5 Instagram posts by *June 5, 2026*.

KPIs to track: Reach, impressions, engagement rate, link clicks.
